Great Red Wine

*made in Iowa
from Grapes
grown in Iowa*

Iowa In the Dark

is a dry red with light, fresh notes. First impressions are tangy acid followed by black cherry fading to plum, a dry mid-palate, and a long, pleasing finish. Made from Marquette, St. Croix, Petite Pearl, and Steuben grapes grown in Iowa, it's a versatile wine that pairs well with grilled meat and spicy foods.

2021 Iowa Sabrevois

is a dry red with bold aromas of spices and leather on the nose followed by blackberry and plum notes with hints of baking spice, smoke, and licorice on the palate. Made from Sabrevois grapes grown in our Iowa vineyards, it pairs well with grilled meat.

2020 Iowa

Reserve Marquette

is a dry red with bright cherry notes and hints of baking spice on the nose and palate followed by a long, moderately acidic finish. Made from Marquette grapes grown in our Iowa vineyards, it pairs well with spicy foods.

Director's Note

It is my absolute pleasure to welcome you to CAP Theatre's production of *The Wizard of Oz*. What you are about to see on our stage is the result of hundreds of hours of hard work by our amazing young actors and so many volunteers, and we are all grateful that you have chosen to spend your time with us. You won't regret it.

Just as it is for Dorothy, the yellow brick road that led me here was long and winding. This is my first time directing a children's theater production. However, I have been involved in many previous CAP shows in myriad roles: as music director (*Addam's Family, Cinderella*), technical director (*Into the Woods*), and producer (*Little Mermaid, Oklahoma!*). And, this has been a little extra fun for me because exactly 30 years ago this fall, I performed in my high school's production of *The Wizard of Oz*, as Nikko, the lead flying monkey. Life is funny, isn't it?

I want to thank my invaluable assistant director and irreplaceable wife Katie. This show and my life would both be a mess without her. I also want to thank my amazing and talented daughter Tatum. We passed to her our love of musical theater, and she has multiplied it tenfold. I also want to thank my amazing crew. They have been exceedingly generous with their time and talent, and all of their contributions have been critical to this show.

Finally, to the cast: Thank you for sharing with me this journey through the land of Oz. Each and every one of you is awesome, talented and spirited, each in your own unique way. I have treasured this experience, and I cannot wait to see what you all do next. I hope you all continue to do wonderful things, and as you do, I hope you never forget: there's no place like home. - Erin Murphy

THE DIFFERENCE IS

COMMUNITY.

Throughout my career, I've supported several nonprofits. One that is especially meaningful to me is Easterseals Iowa, where I've found great reward from serving in nearly a dozen volunteer roles. As a community bank, Bankers Trust encourages all team members to get involved with organizations they're passionate about, and our efforts total over 12,000 volunteer hours each year. We add to this by giving \$1 million annually to causes spanning arts to inclusion to community development.

It's part of our collective commitment to helping our communities thrive. It's part of the Bankers Trust Difference.
