

## Class Act Productions and COVID-19

### Updated August 15, 2021

CAP's Policy for COVID-19 is based on CDC regulations and our desire to protect all involved as best we can. When getting involved in any "in-person" activity with others there is no 100% guarantee protection from becoming infected. Our policy is subject to change as CDC regulations change. Please read these expectations before attending any "in-person" event or activity held at CAP Theatre.

- Everyone must wear masks, covering nose and mouth, at all times while inside the theatre unless on stage. The only exception is if there is a medical reason that you cannot wear a mask, you may participate, understanding the risks. Masks will be provided but you may use your own. If a mask break is needed a student can socially distance and stand by the door while being able to be seen and supervised by a responsible adult.
- All visitors of the theatre must wash hands often and use the hand sanitizer provided or you may bring your own. Please make sure that your hand sanitizer is at least 60% alcohol.
- Any volunteers or students that are having any signs of illness must stay home. You will not attend any "in-person" activities, unless testing negative for COVID-19.
- If you are not vaccinated and have been exposed to someone who has tested positive for COVID-19, we ask that you not attend for 10 days, or test negative to return.
- After each event/activity, all surfaces, objects used, and bathrooms will be disinfected.
- When only adults are at the theatre for meetings and social distancing is possible, masks will be optional.
